## **Where do you fit in?**

Apart from turning up to the meeting, there are few more things that you may, and we would like you to, do before this meeting takes place.

Express your view – The association appreciate that you may not be involved in the day to day running of the association and may not be aware of what's involved, but we would like to give you the opportunity to ask. All we ask is that you write to us **5 days** before the AGM takes place so it allows us to prepare the necessary answers and ready for you on the meeting day.

Voting rights – You have the right to vote for or against, but again, if you are uncomfortable or unsure if your decision would be a correct one, you can also choose to abstain or ask more questions prior to the voting takes place. Our aim is for you to be sure of your decision.

Moving forward – It is important for the association to look to improve ourselves. One way to do this is by bringing in innovative ideas, review, fine-tune and implement. 'Aspiration' is what we like to see from each of our fellow member.

## **.Where is your role?**

Apart from fulfilling your duty as an active playing member in the Association, we also like to hear from you from time to time, suggesting ways to improve the way we do things. We are only as good as you make us, so please do not hesitate to bring anything up and / or ask any questions. Don't forget, there are no SILLY questions.

The final part is to re-register yourself for the next season, therefore, please ensure you hand in your completed EPA ID registration form to the elected Registration Secretary before you leave the venue.

I hope you had a good season this year and we look forward to serving you the forthcoming season!
