

RBCPA REFEREE SEMINAR & EXAM, (Riley's Reading)

To all Fellow Association Members

The Royal Berkshire County Pool Association strives to improve our standard in refereeing matches, in particular, the refereeing attitude and disciplines.

This year, we like to hold a seminar to focus on the following area:

- ❖ Standard rules
- ❖ Calling Procedures
- ❖ Conduct and behaviour of Referee's
- ❖ Challenging Scenario

This seminar is aiming to polish the standard of our refereeing skills and **educate** delegates with in-depth knowledge of the World 8-ball Pool Rules. It is designed to suit both pool players and people who are genuinely interested to becoming official referees themselves. Even if you are new to the rules, don't worry, we will try to ensure that when you leave the seminar, you gain an improved general understanding of the rules.

Following the seminar, a written exam will take place, of which we encourage you to take. This exam will allow you to demonstrate your understanding of the rules and progress your first step towards becoming an official referee. During the written exam, you will also be invited to take part in practical referee calls with 5 challenging scenarios. This adds a lot of fun to the exam itself as you can picture yourself as an official referee for the first time!

The cost of the session, including seminar, exam and paper marking is £12 (including a copy of the official rule book). It is absolutely value for money! Don't delay, look at the dates below, sequence your three prefer dates ("1" being most preferred date) and submit your interest **no later than 18th Feb 2011** to secretary@berkshirecountypool.co.uk
